St. Joan of Arc Mission Statement

St. Joan of Arc Parish is a Christ-centered, sacramental and stewardship community within the Archdiocese of Denver and the Roman Catholic Church.

With the courage of St. Joan of Arc, our mission is to build the kingdom of God by living the gospel values of faith, hope, and love and by sharing our Catholic faith with those in our community, our city, and our world.

“Blessed are the peacemakers, for they will be called children of God.” Matthew 5:9

Stewardship

On January 1, 2005, St. Joan of Arc was named a stewardship parish. Parishioners were encouraged to develop an awareness about stewardship of time, talent, and treasure. The parish also began tithing a portion of its offertory.

Since fall 2006, as recommended by the Archbishop, St. Joan of Arc has tithed a percentage of our monthly offertory for the needs of the parish community, Archdiocese and the world.

As St. Joan of Arc grows in the years to come, the hope is that stewardship will become a way of life for the parish, our members and the community at large.
